Usher yourself in, get to know our exceptionally-crafted-for-you bedding solution. Make smart choice. Smart choice that matters. Visit our website for more information www.morgansleep.com

Pocketed Spring

Pocket technology in Morgan™ products provide you more comfort and irresistible sleep. When you lay down, your spine will align perfectly with the mattress, giving you a more relaxed and deeper sleep.

Natural Latex

Made with all natural rubber for comfort and support. The pure latex sleep surface is naturally resistant to airborne bacteria, providing a healthy sleep environment. 100% latex rubber is the most durable sleep surface on earth.

Foam Encased

A molded foam-encased integrated flexible support device includes an innerspring positioned upon a three-dimensional thermoplastic foam deck as a flexible foundation, and a molded foam encasement which structurally integrates the foam deck with the innerspring by attachment to perimeter coils of the innerspring.

5 Firmness Level

Morgan™ m products provide you 5 Different Firmness Level with 3 different stage of Level soft, medium and hard. This is the complete healthy sleeping solution for creating healthy and ideal body shape and weight.
